Axxess to Mitel 5000 HX Migration Program

Simply communicating great savings!

Switch from your Axxess® communications system to a new Mitel® 5000 HX and upgrade your ability to communicate while boosting your bottom line!

For a limited time only, enjoy incredible savings on a smart, new Mitel 5000 HX! Offering advanced multimedia communications capabilities and substantial cost savings for businesses with up to 250 users, the 5000 HX is based on open-architecture interfaces and standard protocols, giving you the flexibility to tailor a system to suit your dynamic needs.

Choose from a variety of Mitel applications for simplifying individual communications, accelerating information flow throughout your organization and automating common processes. Reduce costs and improve productivity, with powerful, easy-to-use tools for managing voice, e-mail and faxes across all devices.

Now through October 31, 2011, take advantage of this special migration offer and you'll receive:

- A \$500 rebate with the return of the CPC card or CPS key of the migrating Axxess system
- "No charge" re-activation of many existing Axxess software options and licenses on new Mitel 5000 HX
- Simple system migration/installation process, including transfer of existing Axxess licenses
- FREE Unified Communicator® (UC) Express

[Ask about Mitel Software Assurance for the 5000 HX](#)

Software Assurance is a cost-effective way to ensure you can easily upgrade to new software releases and avoid paying one-time upgrade fees in the future.
